

Imperial Brady Appoints Willis Weirich as Senior Vice President, Operations

JERSEY CITY, N.J. — June 18, 2026 — Imperial Brady today announced that Willis Weirich has joined the company as Senior Vice President, Operations.

In this role, Weirich leads the company's logistics, warehouse operations, inventory management, safety, and operational integration efforts. He reports directly to Chief Executive Officer Jason Tillis.

"We are excited to welcome Willis to Imperial Brady," said Jason Tillis, Chief Executive Officer of Imperial Brady. "He is a proven operations leader with extensive experience building high-performing teams, optimizing complex supply chains, and supporting scalable growth. Willis brings the expertise and leadership that will help us continue strengthening our operations and delivering exceptional service to our customers."

Weirich brings more than two decades of leadership experience in supply chain, operations, and distribution. Most recently, he served as Executive Vice President and Chief Supply Chain Officer at SRS Distribution, where he led a nationwide supply chain organization supporting significant growth and operational expansion. Prior to SRS, he held senior leadership positions with Neiman Marcus, Target, and Airgas.

"I'm excited to join Imperial Brady and work alongside such a talented team," said Weirich. "The organization has built a strong reputation and a customer-focused culture. I look forward to advancing operational excellence, supporting our customers, and helping drive continued growth."

About Imperial Brady

Imperial Brady is a leading North American distributor and solutions provider for cleaning and facility care, foodservice, and packaging. With more than 13,000 employees and a broad supply chain network, the company delivers national scale with local expertise. Built on strong customer relationships and deep industry knowledge, Imperial Brady goes beyond distribution. It delivers Supplies + Support, bringing expertise, service, and a commitment to making every customer touchpoint a plus.
